Please email bluelightservices@mail.com or roger@gsmfinance.co.uk

Over the years we have developed an exceptional working relationship with GSM Finance. Blue Light Services strongly believes in providing finance options for all different types of businesses from well established long standing company to new start ventures.

welcome to **GSM Finance Ltd**

Established since 1997, GSM Finance is now one of the leading independent asset finance and leasing houses in the UK.

Backed by over 25 banks and financial institutions, GSM Finance provide flexible and competitive solutions, such as equipment finance, vehicle leasing or refinance of existing assets, tailored to meet each customer's requirements.

GSM Finance employs a number of asset finance and leasing specialists who work quickly and professionally, always handling each transaction personally to achieve your company's aims. GSM Finance are well positioned in the finance market place to secure competitive rates and obtain credit facilities due to the strong relationships with funders at decision making levels.

Asset Finance and Leasing are a highly effective tax allowable solutions which allow you to budget costs accurately. The interest rates remain fixed throughout the period of the agreement, regardless of bank borrowing rates proving you with one total cost of ownership.
